TERRIBLE DISASTER

Train Brakes Clogged with Leaves
Would Not Hold on the
Down Grade,

SO THE FATAL CRASH CAME

Two Lehigh Valley Express Trains Col-
lided—Five Men Are Dead and Four
More Are Injured—Passengers
Were Asleep.

Wilkesbarre, Pa., Nov. 11.—The Buf-
falo express of the Lehigh Valley rail-
road, which left New York last night,
ran into the New York & Philadelphia
express, going east on the Wilkesbarre
Mountain at 3 o'clock this morning. The
killed are: William J. C. Brown, fire-
man; Fred Glaser, fireman; J. C. En-
gleman, brakeman; John McNally, en-
gineer. The injured are: D. E. Price, en-
gineer; John Robbin, engineer; Charles Morgan, express messenger; John Shandfield, brakeman.

A heavy wind storm prevailed on the
mountain last night, which caused the
leaves from the forest to accumulate on
the track. The engines ploughed into
the leaves, which clogged their braking
apparatus. The Buffalo express, in
charge of Engineer Tobbin, had orders
to stop on a siding on the mountain to
let the New York express pass. As
Tobbin approached the siding he dis-
covered the air brakes would not work,
and the train was moving about 30
miles per hour on a down grade. The
engineer whistled frantically for hand
brakes, reversed his engine and stuck
to his post, but he could not avert a
collision. In less than a minute the ex-
press from the west, drawn by two
heavy engines, hove in sight. Then a
terrible crash followed on the curve in
a deep cut. Nearly all the passengers
on both trains were asleep, and many
were thrown out of their berths, but
none were injured.

The engines, baggage and express
cars were piled up in a heap in the cut.

Sioux Falls, S. D., Nov. 11.—From
present indications it looks as if the
constitutional amendments on equal suf-
frage, initiative and referendum and the
state dispensary are carried in North
Dakota.

SPAIN WILL NOT GET \$40,000,000.

She Will Receive Not Over \$1,000,000 for
Public Improvements Already Contract-
ed For in the Philippines.

New York, Nov. 11.—A dispatch to the
Herald from Washington says that in-
stead of paying Spain \$40,000,000 as an
indemnity for ceding the Philippine Is-
lands, President McKinley intends to
reimburse her only for a debt of about
\$1,000,000 contracted for public im-
provements. President McKinley and the
cabinet have carefully noted that the
sentiment expressed throughout the
country by the elections has been in op-
position to any suggestion to indemnify
Spain to the extent first proposed.

Republican Governor for Nevada.

Reno, Nev., Nov. 11.—The latest re-
turns show that McMillin has been
elected governor of Nevada. A careful
compilation of the next legislature
shows for United States senator on a
joint ballot: Anti-Stewart 25, Stewart
15, doubtful 4, one county having one
assemblyman still to hear from.

Breaking the News.

Madrid, Nov. 11.—The queen regent
presided with the cabinet council today.
Premier Sagasta read a letter from the
Spanish peace commission announcing that the
American peace commissioners had
refused to recognize the Cuban debt and
exact the surrender of the Philippine
islands. The council will meet again
this evening to decide upon a reply.

ANARCHY IMMINENT

Imported Negro Miners at Pana
Have Been Armed by the
Mine Operators.

WHITE MINERS AS TARGETS

Indiscriminate Shooting at Night Has Be-
come Alarming, and the Cavalry Com-
mander Refuses to Disarm Negroes
—More Ammunition Received.

Pana, Ill., Nov. 11.—Imported non-
union negro miners here are becoming
reckless, and union white miners are
growing restless. Almost nightly in the
"Flat Ham" district, negro residents
practice shooting at any white man that
passes. The negroes have been heavily
armed by the mine operators. Last
night, residences of several white min-
ers were shot into.

Captain Butler, of troop B, when asked
to disarm the negroes, said it was use-
less, for the sheriff would arm them
again. Rifles were received here today,
for citizens who intend protecting their
property and families.

President's Own Mustered Out.

Wooster, Ohio, Nov. 11.—The Eighth
Ohio volunteers, the "president's own"
assembled here today for mustering out.
In less than five hours after the men
arrived, 30 sick soldiers were taken to
the hospital.

DEMOCRATIC SUPREMACY

PRICE OF SAFETY

Quiet at the Bayonet Point Now Reigns at
Wilmington—Departing Negroes Ob-
jectionable to the Whites—Wash-
ington Watching.

Wilmington, N. C., Nov. 11.—As Dem-
ocrats are in control of the city, no fur-
ther serious trouble is likely. The old
city officers all resigned last night, and
Democrats were put in their places.

DEPORTING "OBJECTIONABLE"

CHARACTERS.

The first act of the new government
was to swear in 250 special policemen,
who were instructed to prevent any at-
tempts to terrorize negroes as well as to
frustrate acts of lawlessness by the lat-
ter. Mayor Waddell and associates put
a veto upon the proposed lynching of
negro prisoners, and the mayor kept a
guard at the jail all night.

This morning six negroes were taken
out and escorted to the north-bound
train by militia and banished from the
city. Citizens cheered as they saw them
going. The men started for Richmond,
and squads are out today searching for
the most notorious characters, who will
be deported. Several white men, ob-
noxious from association with negro
politics, are also to be deported.

\$100,000 Fire in Louisiana.

New Orleans, La., Nov. 11.—A fire
which started in the town hall of Cov-
ington, La., destroyed three blocks of
buildings. The loss is estimated at \$100,-
000.

NO USE OF SQUIRMING.

The Republican Party Has a Clear Majority
in the Next National House of
Representatives.

Washington, Nov. 11.—"We have re-
ceived confirmatory information from
every district in the United States," said
Chairman Babcock, of the Republican
congressional committee today. "This
shows the Republicans certainly have 13
majority, and perhaps more than that,
over the combined opposition in the
next house of representatives. Any
changes which the subsequent returns
may make will be in the direction of
increasing our majority. The straight-
out Republican strength shown will be
185."

It Is the Infants Sure Enough.

Nassau, N. P., Nov. 11.—Wreckers
have brought the stores from the
stranded vessel off Cat island, which es-
tablishes beyond a doubt that she is the
Infanta Maria Teresa. As the vessel is
looked upon as a derelict, the wreckers
claim a right to seize such stores as can
be saved. The vessel lies between two
reefs on a smooth bottom and has an
anchor out.

The British admiralty authorities
here propose taking possession of the
Maria Teresa as a derelict. The Amer-
ican consul has protested against this
course, claiming everything, less sal-
vage.

Insurgents Still Insurgent.

London, Nov. 11.—Advices have been
received at the office in this city of the
Philippine Commercial Company saying
that the insurgents have taken the Is-
land Negro, one of the Philippine group
separated by narrow channels from
Panay and Zebu, and that they are be-
sieging Iloilo, capital of the island of
Panay and the second largest port in
the Philippines.

A TRAIN HELD UP

Great Northern Express Stopped by
Bandits Near Fergus Falls,
Minn., Last Night.

EXPRESS SAFE BLOWN OPEN

Train Men Compelled to Sit on the Bank
While Robbers Destroyed the Safe
in the Express Car—Six
Arrests Made.

Moorhead, Minn., Nov. 11.—Six men
were arrested at a hotel here today who
are alleged to have held up a Great
Northern through train near Fergus
Falls last night, when the express safe
was blown open and rifled. The pris-
oners had large revolvers, burglar's
tools, dark lanterns, dynamite and dy-
namite caps in their possession. None
are more than 30 years old. They are
not to be doubt but that they are the
men implicated and had agreed upon a
rendezvous at Moorhead.

DETAILS OF THE HOLD-UP.

St. Paul, Nov. 11.—Officials of the
Great Northern Express Company,
whose local safe was blown open in the
hold-up of last night near Fergus Falls,
Minn., say the loss was very small, as
the safe did not contain any money. A
Fergus Falls special to the Dispatch
says: "Expressman McGrath, the mes-
senger and fireman were compelled to
sit in a row on the bank under cover of
menacing guns while the highwaymen
were at work. While attempts to blow
up the large safe were in progress, Con-
ductor Smith, sent Brakeman Otto
Nordham back to flag possible trains.
The robbers fired at him and a bullet
passed under his arm. One robber pro-
posed to rob the passengers, but others
refused to go into the cars, as several
men were prepared to resist them."

Republican Candidate Successful.

St. Paul, Minn., Nov. 11.—There
seems no doubt but that Page Morris
has defeated C. A. Towne for congress
in the 6th district by a safe though small
majority. A Duluth dispatch announ-
ces the Democratic congressional com-
mittee has conceded Morris' election.

National W. C. T. U. Convention.

St. Paul, Minn., Nov. 11.—The na-
tional W. C. T. U. convention began to-
day. The opening session was devoted
to the appointment of committees and
annual memorial services for deceased
members. Miss Willard was one in this
latter connection to whom all thoughts
and words tended.

Fatal Store Explosion.

Hanover, Mass., Nov. 11.—A fire in
the general store of C. A. Stearns today
was followed by a terrific explosion
which blew out the side of the building
and killing Michael and Robert Sylves-
ter, Edgar Adams, C. A. Peterson and
C. A. Tolman. Over a dozen people were
injured.

"I DO MY OWN WORK."

So Says Mrs. Mary Rochette of
Linden, New Jersey, in this
Letter to Mrs. Pinkham.

"I was bothered with a flow which
would be quite annoying at times, and
at others would almost stop."

"I used prescriptions given me by my
physician, but the same state
of affairs continued."

"After a time I was taken with a
flooding, that I was obliged to
keep my bed. Finally, in
despair, I gave up my doc-
tor, and began taking your medi-
cine, and have certainly been greatly
benefited by its use."

"Lydia E. Pinkham's Vegetable Com-
pound has indeed been a friend to me."

"I am now able to do my own work,
thanks to your wonderful medicine. I
was as near death I believe as I could
be, so weak that my pulse scarcely beat
and my heart had almost given out. I
could not have stood it one week more,
I am sure. I never thought I would
be so grateful to any medicine."

"I shall use my influence with any
one suffering as I did, to have them
use Lydia E. Pinkham's Vegetable
Compound."

Every woman that is puzzled about
her condition should secure the sym-
pathetic advice of a woman who under-
stands. Write to Mrs. Pinkham at
Lynn, Mass., and tell her your ills.

WADE TELLING THE TRUTH.

He Posts the Government at Washington on
the Real State of Affairs in the Mat-
ter of Evacuation.

Washington, Nov. 11.—The following
telegram from General Wade, chair-
man of the Cuban evacuation commis-
sion, was received today: "Havana, to
General Corbin, for information of the
president: from the time of our arrival
the Spanish authorities here have,
believe, carried out the terms of eva-
cuation to the best of their ability.
Ships arriving here have been promptly
loaded and despatched, and about 30,-
000 men have gone. Lack of transpor-
tation and money to pay the troops is
giving serious trouble, and Governor
General Blanco has to deal with
conditions as they arise. Accounts
from here as so sensational that I desire
to inform you of the true state of affairs."
WADE, Major General.

Two More Victims.

Havana, Nov. 11.—W. A. Williams,
chief quartermaster and F. T. Stewart,
a clerk in the quartermaster's depart-
ment died of yellow fever this morning.

Still Bombastic.

Madrid Nov. 11.—El Herald asserts
that the government has resolved to
maintain Spain's sovereignty over the
Philippines. It has been suggested that
Emperor William be asked to arbitrate
in event of the peace commission fail-
ing to agree.
